DISCUSSION BY COMMISSIONERS:

The commissioners answered several questions from our visitors today.

Commissioner Inzer thanked everyone for being here today. The Megasite is moving forward. Water and Sewer will be connected soon. We have fiber already at the site. This will bring more jobs and revenue to the county and we want to keep the momentum going.

Commissioner Washington also thanked everyone for coming. The commission works with cities in the county to grow our community and better Etowah County.

Commissioner Ramsey thanked VOAD for being proactive and ready to go if needed and also thanked Leadership Etowah for being here. It is a fantastic program that will better our community.

Commissioner Johnny Grant noted how our Commissioners all work together. There are a lot of things that, as a county, we can not do, but we do have a lot of great programs.

Commissioner Jamie Grant thanked all the volunteers and members for all they do for the community.

ADJOURN: The Chair then entertained a motion to adjourn the meeting. Upon motion from Commissioner Jamie Grant, seconded by Commissioner Washington, with all other members voting “yes”, the motion was passed. The meeting was adjourned at 9:40am.
