

**ETOWAH COUNTY COMMISSION
REQUEST FOR QUALIFICATIONS**

The Etowah County Commission is soliciting proposals from qualified engineering firms to provide professional engineering services for design of an interstate interchange to serve the Northeast Alabama Regional Megasite.

The consulting firm will be selected on a 100-point rating system. Selection criteria will be based upon the following:

- | | |
|---|------------------|
| 1. Experience as it relates to Federally Funded Infrastructure Projects | 40 Points |
| 2. Professional Background and Quality of Personnel | 30 Points |
| 3. Capability to Meet Schedules and Deadlines | <u>30 Points</u> |
| TOTAL POINTS 100 POINTS | |

Proposals are due by 4pm on Friday, June 14, 2024, and should be mailed or delivered as follows:

Shane Ellison, CAO
Etowah County Commission
800 Forrest Avenue, Suite 113
Gadsden, AL 35901

All professional engineering firms who consider themselves qualified are invited to submit a proposal. **The Etowah County Commission** reserves the right to reject any and all proposals and to waive any informalities or irregularities in the proposal process. **The Etowah County Commission** is an Equal Opportunity Employer and encourages the participation of minority owned businesses and Section 3 qualified contracts in all project contract procurements.
